

Create an Internaut

For Be Internet Legends Day 2025

The [Interland game](#) teaches children positive skills and behaviours to stay safer and have fun online.

For Be Internet Legends Day 2025, we're challenging your pupils to create their own Internaut character from the game – to feature in our live, national assembly.

How to take part

Your pupils can design their Internaut any shape, style, size or colour they like. It can be as individual as they are. They can use the attached template, or design it their own way.

They can decide how their Internaut stays safer online. Maybe they are super kind, or are brilliant at spotting things that are not true?

They can also give their Internaut a special name.

To enter

Email the Internauts to
legends@parentzone.org.uk

Don't miss Be Internet Legends Day –
on Tuesday 11 November at 9.30am
